

**TEEN DRIVER EDUCATION**  
**Parent Home Practice 30 HOUR LOG - State Required**

Name: \_\_\_\_\_

The 30 hours of behind-the-wheel practice must be completed in the presence of an adult who is 21 years of age or older and has been licensed for at least one year (TRC 521.222) before the student is eligible for a provisional license. Only one hour of behind-the-wheel practice per day will count toward the 30 hours regardless of the number of hours the student actually drives in a day. At least 10 of the 30 hours must be on driving at night.

This record is for personal accounting only. The Adults responsible for the home practice will sign the final car training completion certificate confirming this practice log and that certificate (DE-964) will be presented to the DPS.
